

Tri-City Eagles 2020-21 Travel Season Costs

COVID-19 and Travel Hockey Fees

TCE season pricing assumes that the season will go forward in September in a manner consistent with past seasons.

We do not yet know what the hockey season will look like for the 2020-21 season. USA Hockey, the PVAHA, and CBHL have not yet issued direction on rules/restrictions on game play, league schedule, or tournaments. TCE will adjust pricing and/or provide refunds, as appropriate to once the season parameters are firmly established. Please note that there are some fixed costs that are the same whether the season is two months long or ten months long. For example, a season with half of the normal games would not be half the cost.

Please note that there has not been any increase to club fees or team fees from the 2019-20 season.

We have provided a five-payment plan to provide our members more flexibility in paying their hockey fees. Note that this year there is no additional fee for using a payment plan.

Lastly, Teamsnap offers an insurance option through Regsaver and AIG insurance to cover the costs of your registration should your child be unable to participate due to sickness or injury. You will see this option at checkout. This program is completely voluntary and is not administered by TCE. If you have questions regarding Regsaver, please go to their website <https://www.registrationsaver.com/youth-sports/>. TCE is not associated with Regsaver in any way and does not derive any income from this service.
