# ABOUT US & CLUB VALUES

Who we are...

Founded in 1993, The Tri-City Eagles Hockey Association is a non-profit organization dedicated to helping young individuals develop as athletes, leaders, and members of the community. For 30 years, we have successfully accomplished this through our elite hockey program that stresses excellence, self-sacrifice and places the needs of the player above all else.

What we stand for...

# RESPECT

*Treat everyone in a manner that says, ‘you have value.’ That includes teammates, other club members, rink employees, coaches, opponents, referees, strangers and most importantly yourself.*

# INTEGRITY

*Doing the right thing, especially when no one is watching.*

# COMMITMENT

*Made up of two parts: an ‘agreement’ and ‘action’. The agreement is what you say you are going to do. The action is doing it.*

# HONESTY

*Beyond just telling the truth and being honest with coaches, teammates, and opponents; the game demands you are **always honest with yourself**.*
